Memorandum

Date: July 26, 2016
To: FWEA Board
From: FWEAUC
RE: Report of FWEAUC Activities

1. FWEAUC is participating in the FDEP's Reclaimed Water Workgroup process and has been identified as a stakeholder in the process. The FWEAUC is actively engaged and participated in the May 19th meeting in Tampa, gave a presentation at the June 24th meeting in Tallahassee, has had representation during the 2 "small group" teleconferences occurring between the larger meeting dates, and will be participating in the July 27th meeting in West Palm Beach.
2. The FWEAUC held a business meeting on June 23rd in Tallahassee where Chris Pettit, from Palm Beach County, was elected to fill the remaining vacant Board position. There were approximately 30 people who attended this meeting. The business meeting was followed by a collaborative meeting between WaterReuse, the Florida League of Cities, the Florida Association of Counties, the FSAWWAUC, and SEFLUC to discuss issues related to the FDEP's Reclaimed Water Workgroup. There were approximately 40 people who attended this meeting.
3. On June 1, 2016, the FWEAUC submitted a comment letter to FDEP on its proposed Human Health Criteria Regulations. This rule went before the ERC on July 26, 2016.
4. On July 18, 2016, the FWEAUC submitted a comment letter to the EPA regarding the EPA's proposed revisions to National Pollution Discharge Elimination System (NPDES) regulations.
5. The next Utility Council meeting is on August 12, 2016 at the Lee County Emergency Operations Center – 2675 Ortiz Avenue, Fort Myers.
